

Anti-racism resources

This list of resources is for staff and students to deepen their understanding of anti-racism work in higher education.

The material below describe how racism manifests in UK society and the university context, and suggests ways to counter it. This is not an exhaustive list, and is being adapted as new evidence is found.

If you have any suggestions for additions to this list, please email: race.equality@admin.ox.ac.uk

Oxford Online training and guidance
